Who can get married in Gibraltar?

Everybody who is legally allowed to travel to Gibraltar and who can provide all required documents.

Important! Here you can find out if you need a Gibraltar visa: <http://www.gibraltarborder.gi/visa>

In Gibraltar, we only offer weddings with a personal support/escort by a German, English, French and Spanish-speaking notary in front of whom you sign an affidavit about your marital status one day before the wedding.

Please note: It is not possible to change names upon a wedding in Gibraltar. You can apply for a change of name after the wedding in your home country or at an embassy of your home country in the European country of your residence.

The marriage:

The language of the ceremony is English. If you do not speak or understand English, you would need an interpreter (price: about 150,- €).

Two witnesses are required for the wedding ceremony. If you don't have your own witnesses, we offer this service as well (price: 100,- € per witness).

Please note: You will receive the two marriage certificates not directly on the day of your wedding ceremony, but about 15 days later by (registered) letter or - if you wish - by DHL Express.

Legalization / Apostille:

To register the wedding in most countries, you need a legalized marriage certificate with an apostille. Our notary also offers his service and can send you the legalized marriage certificate(s) by registered mail or DHL Express to the European country of your residence.

Documents:

Please send in **color** scanned copies of these documents by e-mail:

1. Passport or identity card / ID card for members of the European Union or for citizens of visa-free countries

If you are a citizen of a visa-free country: entry stamp for the UK (if already available)
or

a valid visa, if a visa is required for the citizens of your country in order to travel to the UK

2. (**International**) birth certificate - if not issued in English, with a sworn/certified translation into English:
