Who can get married in Hong Kong?

Everybody who is legally allowed to travel to Hong Kong and can provide the required documents.

Important!!!

Citizens from about 170 countries travel visa-free (!!!) to Hong Kong. (Amongst others: Russia, Ukraine, Belarus, Albania, Philippines, Thailand as well as many other countries in Asia, Latin America, Africa etc.)

If you wish, we also offer personal assistance / escort by Hong Kong based German and English speaking tour guides who will accompany you to all important Hong Kong destinations.

Please note: there is no name change upon a wedding in Hong Kong. You can request a name change after the wedding in your home country or at an embassy of your home country in the country of your residence.

In Hong Kong, you can get married about 4 weeks after submission of your documents to our agency. You should arrive in Hong Kong about 2 to 3 days before your wedding date. In our information e-mail you will receive recommendations for how to book accommodation next to your wedding venue, as well as many other important information for planning your trip.

Your wedding ceremony will be held by a private registrar approved by the authorities of Hong Kong.

The language of the ceremony is English. If you do not speak or understand English, you need an interpreter whose service can also be booked through our agency.

Please note: You will receive a certified and legalized/apostilled copy of your marriage certificate not directly on the day of the wedding ceremony, but about 3 weeks after your wedding by (registered) letter, or - if you wish - by DHL Express. The original document (without an apostill) will be given to you immediately after the wedding ceremony.

Legalization / Apostille:

To register the wedding in the most countries, you need a legalized marriage certificate with an apostill. Our local partners also offer this service and can send you a legalized marriage certificate(s) by registered mail or DHL Express.

If further legalization is required for the use of the marriage certificate in a particular country, our local partners also offer this service.
